If it still isn't quite right the first time, not to worry. We are more than happy to exchange it for the perfect fit with absolutely zero hassle. Enjoy shopping stress-free today!

HOW TO FIND YOUR RING SIZE

Finding your ring size is simple.

1. Print this page and cut out the ring sizer on the bottom of the page, or locate a piece of string if you don't have a printer available.
2. Wrap it around the finger you wish to purchase a ring for. Mark the length of paper or string to a comfortable fit.
3. Measure in MM (Millimeters) the length of paper or string (this is the circumference of your finger)
4. Visit <https://www.embr.com/pages/mens-wedding-bands-ring-sizing> and locate your ring size using the EMBR International Size Chart

*The average men's ring size is size 10. The average women's ring size is size 6.
